BEHNAME BAKHSHANDEH is a passionate, visionary personal and business coach/trainer who has helped tens of thousands of clients grow beyond their expectations in the areas of accountability, productivity and fulfillment. Behnam wrote his compelling new book, *Conspiracy For Greatness*, so you, too, can benefit from his revolutionary insights and techniques!

"Behnam wraps practical wisdom in an autobiographical narrative to produce a very readable and highly applicable book on personal growth. His book is rugged, insightful and heartwarming. It is a wonderful introduction to the man and his work..."

- Larry Laveman, LCSW, BCD  
Author of *Mysticism and Modern Life*
