LEADERSHIP DEVELOPMENT PROGRAM

This program is designed specifically for people who are committed to learning profound leadership skills to impact their relationships and results, both personally and professionally. This can include sales people, trainers, coaches, public speakers, managers, business owners, entrepreneurs, and leaders of all types.

You will develop yourself as the kind of person who can successfully pursue their highest goals. We introduce transformational technology and strategic planning to impact your results as a leader in all areas of your life.

Learn advanced, honest, and effective communication approaches that free you up, increase your ability to relate to others, and produce unprecedented results.

HOW IT WORKS

During this 9-10 month program, you will participate in 14 days of training and development. Additionally, you will participate in total of 14 sessions of one-hour-long conference calls designed for follow up and to identify and implement more effective communication and training practices.

This training program provides:

- Powerful methods of communication
- Strong leadership skills
- Powerful relationship to reality
- Skillful management of groups & teams
- Effective development for coaching & training others
- Guidance and training materials

PROGRAM BENEFITS

TESTIMONIALS

The Bravehearts program has impacted my life in profound ways. I am able to be more confident and at ease with my decisions and in my relationships

Susan Kolesar
President - Artemis Media Group
Plains, Pennsylvania

Bravehearts course gave me access to a different way of being, a more powerful and playful way of relating to others and myself. The shift for me occurred in who I was being and what I was thinking.

Valerie Hardie
Literacy Program Administrator
City of San Diego, California

My experience of the Bravehearts Program has already exceeded my expectations. It has opened up possibilities in my marriage, my business and my relationships in general.

Kevin Courington
